

THE STAMP

In the text of the week is written that the Holy Spirit marks us with a stamp. In the Bible, Paul says after this verse, that this stamp shows that we belong to God and that we may enter his heaven. Can you find more items in your place that have been marked with a stamp?

Text of the week:
Ephesians 1: 13b
Because you believe that, you have received the Holy Spirit. That is the sign (stamp) that has God promised a long time ago.

Because of that stamp, we belong to God and can we enter heaven when we die. How do you think heaven looks like? Make a drawing in the box:

Challenge of the week:
Make your own stamp of a potato. You'll need: Knife (ask your parents), a potato, paper, and an inkpad. Cut the potato into halves. Create with your knife, very carefully a figure into the yellow part of the potato. Cut everything away besides the figure. Now you can stamp. Have Fun!
