

# SUMMER SPECIAL: SIMSON

## Text of the week

Rechtens 14: 5-6

Simson ging met zijn vader en moeder  
Samson went down to Timnah with his father  
and mother. When he got to the vineyards of  
Timnah, a young lion came at him, roaring.  
The Spirit of God came on him powerfully  
and he ripped it open barehanded, like  
tearing a young goat.

Simson was a strong man. What would you do if you were very strong? Write or draw it down in the muscle (left)!

Despite his mistakes, God gave Simson new strength, again and again. Also, when we do wrong things, God forgives us and He gives us strength to continue again!

For which thing(s) you want to ask God for forgiveness?
